

DK Common Core State Standards Alignment for Mathematics

ISBN: 9780789457202

Counting and cardinality

- Know numbers' names and the count sequence to 20
- Count and tell the number of object
- Missing objects
- Compare numbers

Operations and Algebraic Thinking

- Understand addition as putting together and adding to, and subtraction as taking apart and taking from

Number and operation base ten

- Work with numbers 11-19 to gain foundations for place value

Measurement and data

- Describe and compare measurable attributes
 - Identify positions: inside, outside, middle, top, bottom, above and below *
 - Identify longer, shorter, taller, lighter, heavier *
- Classify objects and count the number of objects in each category

Geometry

- Identify and describe 2D shapes
- Analyze, compare, create, and compose shapes
- Generate and analyze patterns *

A WORLD OF IDEAS:
SEE ALL THERE IS TO KNOW

US.DK.COM

Mathematical practices

- Make sense of problems and persevere in solving them
- Model with mathematics
- Attend to precision

* indicates that the skill or standard is not mentioned in the CCSS for that grade level.
