

CHILD'S REVERSIBLE JACKET PATTERN

How to piece together and use your pattern

1 Download this PDF pattern to your computer, and print it out. The pages will be labeled in the order that they fit together.

2 Trim the white margins from the printed pages, and tape the pages together, using the letters and gridlines as a guide (see example in the diagram below).

3 Refer to the body measurement charts on p.368 to select a size. Use the key on the pattern to find the line for your chosen size and cut around it.

4 A seam allowance of $\frac{5}{8}$ in (1.5cm) is included in the pattern pieces. After you have cut out the pattern pieces in your size, you may wish to add seamlines $\frac{5}{8}$ in (1.5cm) inside the cutting lines (see p.368). One square in the grid equals 2in².
